SKIER'S *Responsibility* CODE

There are elements of risk in skiing that common sense and personal awareness can help reduce.

1. Ski under control and in such a manner that you can stop or avoid other skiers or objects.
2. When skiing downhill or overtaking another skier, you must avoid the skier below you.
3. You must not stop where you obstruct a trail or are not visible from above.
4. When entering a trail or starting downhill, yield to other skiers.
5. All skiers shall wear retention straps or other devices to help prevent runaway skis.
6. You shall keep off closed trails and posted areas and observe all posted signs.

**THIS IS A PARTIAL LIST.
IT'S YOUR RESPONSIBILITY
TO BE SAFETY CONSCIOUS.**
