Payment Options

I understand that I can pay for the season pass product(s) being purchased either in one payment at the time of commitment or via a no interest monthly payment plan in equal monthly installments, with the final monthly payment due on November 30th, 2016. In choosing the monthly payment plan, the first installment will be due at the time of purchase and subsequent monthly installments will be charged to my credit card on the 30th day of each month, unless the initial payment is made after the 15th of the month, which will trigger the second installment to be charged to my credit card on the 30th of the following month. I agree that my credit card will remain authorized for all monthly payments during the payment plan term. I understand that if my credit card is declined for any reason, my pass(s) cannot be used until the declined payment(s) have been collected. I agree to notify the resort if there are any changes to my credit card before the 30th of the month. Once the initial payment has been made, the season pass product(s) purchased cannot be cancelled, nor will there be any refunds, unless it is an eligible refund under the pass refund option policy (see above). I agree to provide a valid email address in order to receive communications regarding this transaction. I understand this is the only manner by which I will receive such communications.
